

BASIC PALETTE

Basic Palette is an exceptional collection designed to create interesting compositions of colours, textures, and patterns in interior decoration.

Basic Palette features:

- single-color wall tiles in six subtle shades that can be mixed together in any combination
- relief tiles featuring interesting textural patterns, available in glossy and matte finishes
- wide glass trim tiles in vibrant colours to fill a space with energy
- basic tile colours (beige and white) in two surface finishes: glossy and matte
- patchwork floor tiles following the latest trends in interior design to create unique floor layout possibilities

A vast array of various elements from the collection helps add a personal touch to many different interiors by giving them an individual and modern look.
