

SAUNA

ROOMS

SAWO is an ISO 14001:2004 (Environmental Management System) and ISO 9001:2008 (Quality Management System) certified company.

A man and a woman are sitting on wooden benches inside a sauna. The woman is on the left, wearing a white towel, and the man is on the right, also wearing a white towel. They are both looking towards each other. In the foreground, there is a wooden bucket with a handle and a tray containing several dark, hot rocks. The sauna has wooden walls and benches, and a warm, orange glow is visible from the heat source below the benches.

Delight your senses and relax

Enjoy the warm and soothing sauna with SAWO sauna rooms. Feel the intricate details of the interiors and the fragrance of earthy soft wood. Gently throw water into the hot rocks and unleash the spirit of steam. The warmth of the moist steam detoxifies the unwanted elements in your body and purifies your entire whole-being. Enjoy healthier life with the best of SAWO sauna products.

The Finnish Sauna Room

SAWO sauna rooms are designed by Finnish know-how that resembles their culture and tradition. Only the finest of the soft woods, Cedar, Aspen and Spruce are used for SAWO sauna rooms. Each of these woods have their own distinct characters for a rejuvenating sauna.

Cedar

Aspen

Spruce

Cedar

Exceptional beauty and a natural warm color, complemented with uniform fine-grained texture with a satin luster.

Aspen

Creamy white appearance, perfect for an elegant look.

Spruce

Light yellow appearance with few markings and even, uniform grain texture. Very durable, perfect for extreme heat.

SAWO sauna rooms are available in Wave, Piano and Classic style designs. Each design carries a trademark of high craftsmanship.

Wave

Wave sauna rooms offer a relaxing view of sauna interiors.

Benches follow the natural form of a wave making you feel more comfortable when sitting or laying inside the sauna.

One may wish to have small or huge wave sauna in Cedar or Aspen Wood.

ITEM CODE: 1416LAC

Piano

Sleek bench design. The piano design sauna rooms have narrow cut bench timber that gives contrast to light and wall panels.

The fully covered thin-line wood benches have an infinity impression while relaxing inside the sauna.

ITEM CODE: 1620RL

Classic

Classic design presents the traditional Finnish sauna beauty.

Each of the wood piece are symmetrically and neatly arranged to carry the signature of an essential sauna.

ITEM CODE: 1416RS

A modern interior featuring a wooden sauna room with a glass door, a lamp, and a chair. The sauna is made of light-colored wood and has a glass door with a handle. To the right, there is a white lamp on a dark side table and a white chair with a brown cushion. The background wall is dark grey.

Standard Sauna Rooms

Free yourself from worries on choosing a sauna room design that match with your interior and budget.

Standard sauna rooms are the recommended sizes and designs that come more efficient and highly preferred by our customers.

ITEM CODE: 1431RL

Outdoor Sauna Rooms

Outdoor sauna rooms are with beautifully lacquered walls and high enduring shingle roof to resist severe weather conditions. They are at their best when placed near swimming pools or bathing facilities.

Sauna Doors

SAWO sauna doors are known for their durability. The frame is made of different wood texture laminates that prevents wood warping due to heat or cold temperature.

Doors are available in full wooden panels & wooden panels with a window or full glass.
