

E2-1325C(9KW CS)- A Axis

20.06.30

Travelling area:1230*2500*420mm
9KW Chinese ATC air cooling spindle
Syntec FC-60WA (+ 4th axis)
Yaskawa motor and driver (750W+400W-A axis)
E4 machine lathe design
A axis rotates only when the Z axis is in 0 point during manual model
4KW Chinese vacuum pump-1set
NO Software
8 positions linear tool magazine
ISO Tool holders--1 pc
lock knife block ISO30
Control of vacuum zones with separate control by manual valves
Auto tool sensor
Positioning cylinders excluded
A axis:±90°C
T-slot vacuum table
Oil gun&Total multis complex HV2 oil-400g-1p
Pump control on cabinet
High precision helical rack &pinion
Japanese SHIMPO metal Reducer
THK Linear rail
DELTA inverter
Heavy duty plug
3PH 380V 50HZ
Plywood package
Цена в Минске с НДС 33 000 \$

1. tools-4 pcs
2. extra parts included-2 sets
3. limit sensors - 2 pcs
4. brush-1 extra set (there is one set on machine already)
5. table rubber strips:30 meters extra
6. collets-4 pcs
