Easy Rack

740 Евро с НДС

Avoid back pain when loading and unloading rolls due to its ergonomic design.

Easy Rack has been designed to make your job easier. It has a hinge mechanism in all positions to reduce the overexertion needed when lifting heavy rolls from the ground that often will lead to back pains. Easy Rack is mounted on locking wheels and has a convenient handle to move it around your production area.

- Move and unload rolls effortless.
- Reduce times off work.
- No more back pain.

Specs

- Dimensions: 190 x 44 x 101 cm (L x W x H).
- For rolls up to 162 cm.
- Holds 16 rolls – 3" core.
- Maximum roll OD: 19 cm.
- Loading capacity: 460 kg.
- Shipped disassembled.

Safety Rulers

- Heavy duty aluminium construction, non-slip mat and anodized in red.
- The curved aluminum finger guard is designed to give the best protection.
- Its stainless steel cutting edge prevents the ruler to wear away with the knife.
- Numbers are laser-engraved and will not fade with the use, opposite to the ones that use a metric tape with glue.
