Diagram 6 illustrates the assembly of the top panel (17) and the internal frame (15) of the cabinet. The diagram shows the top panel (17) being secured to the internal frame (15) using screws (11). The internal frame (15) is also secured to the side panel (5) using screws (11). The bottom panel (10) is shown being secured to the side panel (5) using screws (7). The corner brace (4) is shown being secured to the side panel (5) using screws (11). The diagram includes a warning icon and two inset diagrams showing details of the assembly process. The text "A=B" and "(A)" are also present.
