Technical Data Sheet

GA907 Biolett Oil

Product description

GA907-0102 is a transparent 'white' oil for application to wooden chopping boards. It is classified for food contact and complies with US FDA 178.3620(a). GA901-0102 is a non-drying oil and so there is no risk of spontaneous combustion with this product. Application is made by dip and/or manual wiping to remove the excess from the surface before stacking.
