MULTIFUNCTIONAL DIGITAL MUG PRESS (4 IN 1)

The all in one mug press has been recognized as one of the most popular heat press machine. The press is designed with 4 additional mug heaters, applicable for 6oz to 22oz mugs and even 12oz and 17oz cone shape latte mugs. With the powerful alternatives, you can imprint different mugs as wanted. Thanks to the device, users can make any specific cone-shaped mug or normal straight mug consecutively, simply by replacing different mug

heaters. When the mug heaters need to be changed, loose the screw, take out the old mug heater, replace it with the targeted mug heater, and finally tighten the screw. The machine offers users a choice to print any attractive images onto mugs. With its digital manipulation and humanized design, this new device has been proven to be a perfect machine for printing mugs.

DESCRIPTION:

Undoubtedly, white mugs are the most popular size and best selling mug worldwide. Its competitive price makes this mug a great promotion seller with a high margin of profit.

A person with strong characteristics appears to be unavoidably attractive, so does an individually designed mug. It is extraordinarily impressive to imprint a unique mug with desired photos on it, your personal photos, your baby's photos and your pet's cute photos and etc. Also it is a never-to-be-forgotten souvenir for birthday parties and friends' gathering.

FDA (Food and Drug Administration) is an agency under the United States Department of Health and Human Services. It is responsible for protecting and promoting public health through the regulation and supervision of and relevant areas. All of our mugs meet FDA's strictest regulations, certifying that cadmium and lead are appropriate to the standard in our product.

we are 100% sure that our products are nontoxic even in high temperature; and we are proud to share confidence with partners all over the world.
